WELCOME &

Hello

From this moment, you're not just receiving a proposal — you're stepping into an experience.
Every bloom, every stem, every movement of design will be guided by feeling — by that quiet, beautiful energy that only love can bring.
I don't see this as decoration. I see it as atmosphere — the kind that people remember without even knowing why. The kind that moves them.
This proposal is our beginning — a glimpse of the beauty waiting to unfold.
I can already see it in my mind, and I can't wait to bring it to life for you.

This proposal serves as my suggestions for your day. It details many of the particular ideas we have, along with options where applicable. In Kindness & Gratitude, Alona Chasin

OUR CREATIVE

Process

It starts with a spark — an enchanting sunset, a delicate bloom, a serene landscape — that ignites our imagination. We delve into the intricate tapestry of colors, textures and scents, allowing these elements to guide our creative vision.

With passion as our compass, we seek the finest blooms: scouring local gardens, exploring hidden gems in the countryside, and collaborating with trusted growers, hand-selecting each stem with care.

Back in our atelier, the magic unfolds. Every petal is placed with purpose, every stem positioned thoughtfully, crafting compositions that evoke emotion and tell stories.
